DRUG FREE WORKPLACE

Raise Up is a drug free workplace and utilizes testing as a means of detecting substance abuse. Alcohol and drug abuse will not be tolerated in the workplace and its presence can result in the termination of an employee. Testing can occur during a periodic physical examination, systematic random testing without notice, or as a result of observations of an individual's performance on the job which reveal a "reasonable basis to believe" he/she is under the influence of a controlled substance(s) and/or alcohol. All applicants being considered for employment with the Authority will undergo substance abuse testing.

TRANSITIONAL WORK PROGRAM

In conjunction with the Ohio Bureau of Workers' Compensation, Raise Up has adopted the Transitional Work Program sponsored by the Ohio BWC. A transitional work program uses real job duties that accommodate an injured worker's medical restrictions for a specified time period to gradually return the injured worker to their original job. All workers' compensation injuries and illnesses will be considered for entry into the program. The complete policy is available from the Main Office upon request for your review.

PLEASE READ THE BELOW STATEMENTS CAREFULLY BEFORE YOU SIGN AND DATE.

I hereby understand and acknowledge that, unless otherwise defined by applicable law, any employment relationship with this organization is of an "at will" nature, which means that the Employee may resign at any time and the Employer may discharge the Employee at any time with or without cause.
